Dear Ms. Schwarz:

This letter is in response to your letter of March 8, 1985 to Ken Back regarding the Feasibility Study for the Western Processing Superfund site in Kent, Washington. You had requested written response from this office following the study's public comment period.

Notice of the Study was published in the Washington Intergovernmental Review Process Weekly Log dated March 11, 1985. The Log is sent to all state agencies and to each of Washington's twenty-nine District Clearinghouses. The comment deadline of April 10 was specified, and responses directed to you at the Seattle address above.

If I can be of further assistance, please contact me at (206) 754-1240.

Sincerely,

Dori Goodrich
